TERMINAL DISCLAIMER

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In accordance with 37 C.F.R. §3.73(b), Petitioner, Ensemble Communications, Inc. represents that it is the assignee and sole owner of the entire right, title and interest in the patent application identified above by virtue of an assignment recorded at Reel 10794/Frame 0513 and at Reel 9722/Frame 0248.

This application is a continuation of application Serial No. 08/974,376, now U.S. Patent No. 6,016,311, issued on January 18, 2000, entitled "ADAPTIVE TIME DIVISION DUPLEXING METHOD AND APPARATUS FOR DYNAMIC BANDWIDTH ALLOCATION WITHIN A WIRELESS COMMUNICATION SYSTEM." Petitioner certifies that it is the assignee and sole owner of the entire right, title and interest in and to U.S. Patent No. 6,016,311 by virtue of assignment from the inventors, Sheldon L. Gilbert, Rami Hadar, and Israel J. Klein. This

Appl. No. : 09/316,518  
Filed : May 21, 1999

assignment document is recorded with the U.S. Patent and Trademark Office at Reel 10794/Frame 0513. A copy of this assignment is attached hereto.

Pursuant to 37 C.F.R. § 1.321(b), Petitioner hereby disclaims the terminal part of any patent granted on the above-captioned application that would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,016,311 and hereby agrees that a patent so granted on the above-captioned application will be enforceable only for and during such period that the legal title to the patent shall be the same as the legal title to U.S. Patent No. 6,016,311. This agreement extends to the patent granted on the above-captioned application and will be binding on Petitioner's successors and assigns.

Petitioner does not disclaim any terminal part of a patent granted on the above-captioned application before the expiration date of the full statutory term of U.S. Patent Nos. 6,016,311 in the event that this patent later: expires for failure to pay maintenance fees; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under C.F.R. § 1.321(a); has all claims canceled by a reexamination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term.

The undersigned representative verifies that he is authorized to take this action on behalf of the Petitioner.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
